Hoxa Curve serie 320

Stools

Benefits

The Medisit Hoxa Curve range is specially developed for use in medical environments such as hospitals, docters offices, dentists, etc. Hoxa Curve can be provided with a foot operated height adjustment for situations where the hands have to be kept free for sterility reasons. The Hoxa range is standard upholstered in Stamskin which has antibacterial properties and is blood and urine resistant. The ergonomic shaped 'Curve' seat offers a maximum of comfort and prevents from pressure points in the thighs.
