

# Hoxa budget serie 910

## Stools

### Benefits

Very comfortable stool with "Soft Touch" leatherette seat. The Hoxa stools are fitted with a gas spring height adjustment which is operated by a ring mechanism that can be fitted on the base or underneath the seat. The base is made of polished aluminum with large wheels for easy movement. The Hoxa PU is easy to clean and is ideally suited for use in areas where hygiene is of great importance.

# Hoxa budget serie 911

## Stools

### Benefits

The Medisit Hoxa range is specially developed for use in medical environments such as hospitals, doctors offices, dentists, etc. The Hoxa range is standard upholstered in leatherette which has antibacterial properties and is blood and urine resistant. The Hoxa stools are fitted with a gas spring for the height adjustment which can be operated by a ring mechanism located on the base or through levers located underneath the seat. The base is in nylon with soft castors for easy movement.

2D armrests are available only in presence of a fixed seating angle  
3D, 4D and foldable armrests are available only in presence of an adjustable seating angle
